Heads of Northgate High School, Dereham Sixth Form College and DESA: Mrs Z Galley and Dr D Hone

Hello!

Even though you've only just started Year 6, it's already time to start thinking about which High School you wish to join from September 2022. As you know, this is a very important decision. We want to be able to give you as much information about Northgate High School as possible, so then you can make the right choice for **YOU**.

We are opening up our school for you on Thursday 14th October so you can see first hand our amazing facilities, learn more about the subjects you'll be studying and the huge range of clubs and extra-curricular activities you'll have access to. Most importantly, you can talk to pupils who actually attend (and love!) Northgate so **they** can tell you what it's like.

You can find out about Northgate High School by using the QR code below and:

- Take a virtual tour around the school. Discover the floodlit 3G pitch and sports facilities; the sprung floor dance studio; the stage (complete with orchestra pit underneath!); the IT and computer suites and much, much more.
- Meet Mrs Graves, Head of Year 7 and find out about the teachers at Northgate.
- See videos of our pupils talking about our school and how safe and supported they feel.
- Find out which subjects you'll be studying.
- Discover the huge range of clubs and trips available.
- Learn about all the opportunities which could open up to you if you choose Northgate.

We are very proud of Northgate High School. You could be part of our community for the next 5 years (7 if you go on to study at our Sixth Form) so please look at our videos, website, prospectus and virtual tour carefully.

Explore our website and discover the Northgate community. Remember, even if your friends have already decided their school, **you** have to pick the right school for **you**. That school may well be Northgate – take a look and decide for yourself.

Very best wishes,

Mrs Z Galley and Dr D Hone
Heads of Northgate High School, Dereham Sixth Form College and DESA
